

WELCOME TO THE IMPERIAL HOLOVISION STARRING  
OUR MOST POPULAR GUEST: LORD VADER!

LORD CHROME  
DARTH VADER,  
IF YOU DON'T  
MIND.

WHERE'S  
THE MIC?

AH, THERE  
YOU GO.

HEY!

I'M GOING TO PRESENT YOU A  
REVIEW ABOUT A NEW ROOKIE OF  
MY GRANDIOSE IMPERIAL ARMY---

FUCK OFF,  
MILADY!

THOSE TWO GUYS ARE MY HENCHMAN  
PULLING ME THROUGH THIS REVIEW. ON  
THE LEFT A SHADOW STORMTROOPER,  
ON THE RIGHT SIDE AN ARF TROOPER.

SHADOW TROOPER,  
WHERE'S YOUR  
HELMET?

SO YOU LACK IN  
ARMATURE AS WELL,  
DON'T YOU?

I'M NO LONGER A SHADOW  
TROOPER, SIR. I'VE  
DESERTED, CAUSE I WANTED  
TO BE A MERCENARY. THOUGH  
I WORK FOR BANE...

I GET THE  
PICTURE.

I'M AFRAID MY LUGGAGE WAS MIXED  
UP WITH THE ONE OF INDY AT THE  
SPACEPORT, WHEN I CAME BACK  
FROM HOLIDAYS ON CORELLIA...

AS YOU HAVE  
PROBABLY  
NOTICED, I  
CHOSE THE  
BEST OF THE  
BEST ONLY.

"...ALLOTTED FOR FREE FOR  
THOSE WHO SPENT AT LEAST  
55€ / 75\$ ON LEGO PRODUCTS  
SOLD AT THE LEGO STORES  
OR THE S@H, THE SHADOW ARF  
TROOPER INDEED IS A  
PRECIOUS COLLECTOR'S ITEM.  
IT IS SUGGESTED FOR 6 YEAR-  
OLDS, CONTAINING SMALL  
PARTS LEADING TO CHOKING  
HAZARDS WHEN MISUSED...."

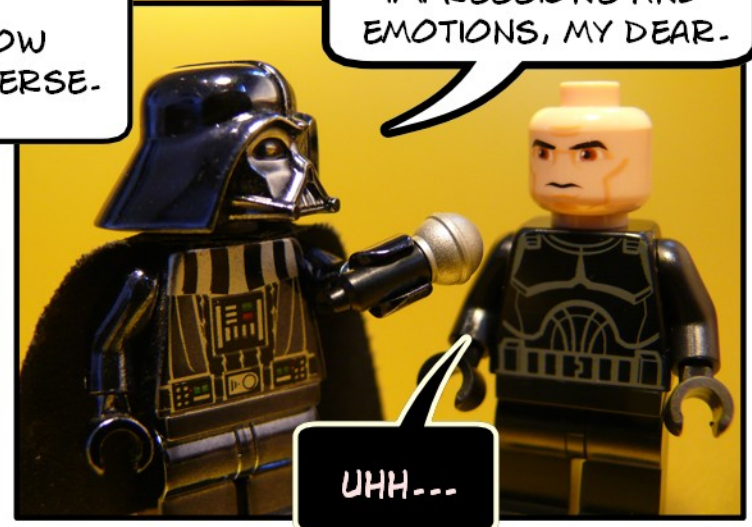

"---A VIEW OF THE VERY ENTERTAINING BACK OF THE BEAUTIFUL POLYBAG---"

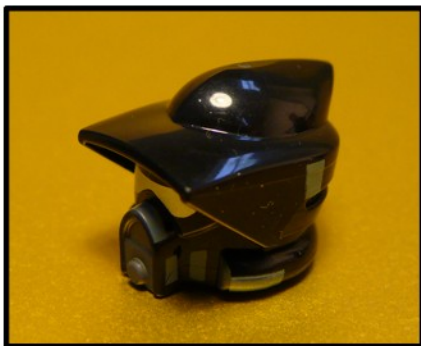

"---THE VALUE OF THIS FIGURE IS UNDETERMINED YET. DON'T GET INTO THE HORRIFIC PRICES ON EBAY. ACCORDING TO TLC'S OFFICIAL POSTCARDS ITS CONTERVALUE IS 2.99€. TLC'S HOMEPAGE EVEN LISTS AN AMOUNT OF 9.99€, WHICH DOESN'T TAKE INTO CONSIDERATION COLLECTORS' VALUE...."

IF BANE WOULDN'T PAY ME, I'D PACK A PUNCH INTO HIS FACE... OR WHATEVER YOU WANNA CALL HIS FRONT.

LEGO FIGS CREATING LEGO FIGS!

I FEEL FANTASTIC. MY  
ARMOUR IS  
ULTRAFASHIONABLE AND THE  
HELMET WITH ITS LIGHTBLUE  
MARKS IS JUST  
OUTSTANDING.

WE'RE NOT  
GOING TO  
DRESS YOU  
UP EVERY  
DAY, FAT CAT.

YOUR  
WEAPON, FAT  
CAT. IT'S THE  
SAME AS  
MINE, HAHA!

AS THOSE THREE GUYS GO ALONG  
WELL WITH EACH OTHER, WE'RE  
GOING TO TAKE A SOUVENIR PHOTO.

"FRONT..."

"... AND BACK. YOU'RE LOOKING GOOD  
WITHOUT YOUR TERRORIST KERCHIEF!"

READY TO  
FIGHT, SIR!

AND LAST, BUT NOT LEAST:

THE THREE PROMOFIGS  
LIVING AT BANE'S.

This time, all those uninteresting facts at the end of the review.

**Name:** Shadow ARF Trooper

**Theme:** Star Wars (The Clone Wars)

**Year:** 2011

**Parts:** 5

**Minifigs:** 1 [Vader, Boba, Shadow Stormtrooper, white fake-ARF and pop diva are NOT included]
