PORSCHE

The new LEGO Porsche 911 Targa is designed and engineered with a LEGO brick roll-bar to provide maximum building fun with the authenticity and uniqueness of an automotive icon.

Beat the traffic at home.

To help you keep your cool when faced with the stresses of everyday life, the LEGO Porsche 911 Turbo has special qualities. A perfect union of build quality and building quality is something you can always depend on, whatever the weather. Conquer the fog: build.
